*...We share the Joy of Music
With virtuoso vocal and piano performances...*

Canada's Three Tenors, Andr a Garofalo, Peter Marino and Mitch Seekins, have captivated and charmed audiences across North America as they perform in the styles of Enrico Caruso, Mario Lanza and Andrea Bocelli. Expect to hear unforgettable solos and to enjoy animated and fun-loving tributes to opera and popular music.

Whether she's singing cabaret, jazz, pop or opera, Lesley Andrew brings style, vitality and glamour to each performance. Her extraordinary vocal range and versatility is featured with Canadian symphonies and she has made guest appearances on the Tonight Show and Oprah. Prepare to be delighted by this award winning soloist.

Ken Jones, accomplished concert pianist and Liberace impresario entertains as both a soloist and accompanist. It is our pleasure to have him perform in both roles at this celebration.

Stars begin by performing for local audiences and Stephanie Anne Domingues is no exception. She is a young soloist from Oakville who is launching her career. Listen closely and know that you are hearing the voice of a rising star.
